

Homework

Key Stage One's homework should be returned the following Wednesday. The children will receive a grid of homework. Please select a piece of homework to complete every week. It will be based on their learning that term. Please ensure that pencils are used for writing or drawing inside the homework books and colouring pencils to colour.

PE

Indoor PE will be on a Monday afternoon and outdoor PE will be on a Thursday afternoon. Please ensure all PE kits are **clearly named**. The children should bring blue t-shirt, black shorts and pumps for indoor PE Earrings must not be worn for PE. Outdoor kits may include tracksuits, trainers and jumpers. P.E kits can stay in school for the half term.

Ruth Miskin's Read Write Inc

The children are learning to read through our exciting phonics programme, Read Write Inc. RWI takes place every day for 45 minutes. Ruth Miskin's website offers useful videos to introduce you to the programme.

Our Rules

- | |
|--|
| We treat people and property in a respectful way. |
| We listen to others when they are speaking without disruption or interruption. |
| We carry out tasks when asked to do so by an adult. |
| We always try our best. |
| We keep our classroom clean and tidy. |

If your child does not follow these rules, they will have a reminder. If they are reminded again, their name will go on the board. They will miss break time if their name appears on the board 3 times in one half day and you will be informed.

Curriculum Passport

Year 1 & 2

Autumn 1 2019

Can a Meerkat Live in a North Pole?

Teachers
1F- Mr Fowler
2S- Miss Smith
2M- Miss Collins

Teaching Assistants- Mrs Holmes, Mrs Booton and Mrs Huddleston

English

Our key focus is constructing sentences with capital letters, full stops and finger spaces. We will then look at improving our sentences through the use of conjunctions and adjectives.

Maths

Year 1- Our main focus this term is place value and addition and subtraction.

Year 2- Our main focus this term is the place value of two-digit numbers and addition and subtraction.

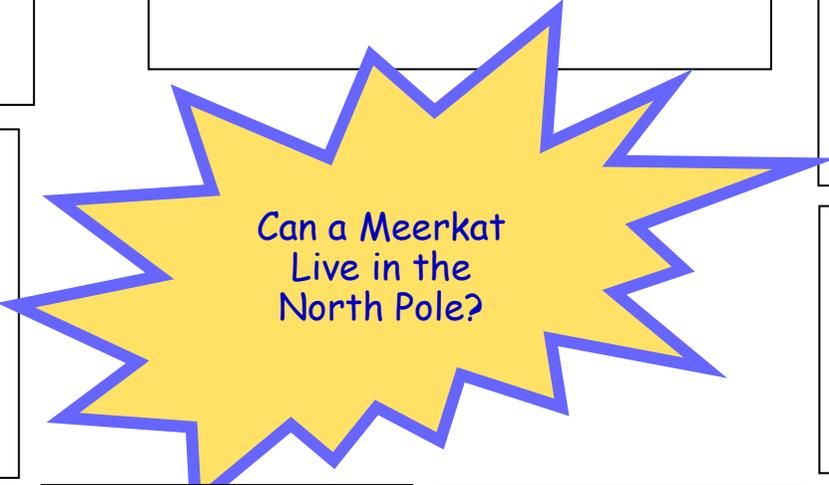

Science

Our Senses

This term, we will be learning about the five senses (sight, hearing, taste, smell, touch) and we will be using them to complete investigations and answer scientific questions.

Art

We will be learning how to draw different types of lines using a variety of mediums. Our end aim is to draw our own meerkat.

Can a Meerkat
Live in the
North Pole?

Computing

This term, the skills we are going to learn are logging on and off the computer and practising controlling the mouse.

We will also be discussing how to stay safe online.

PE & Games

Outdoor- Playground games

Indoor- Boogie Bounce

Music

We will be exploring pitch through music about animals.

RE and PSHE

PSHE- School rules

RE- Religious attitudes to natural world.

Geography

In Geography, we are learning about the differences between hot and cold countries and the different types of animals you would find there and the reasons for this.

How to support your child at home:

Hear your child read at least three times a week. Reading regularly and using their phonic skills to decode will also have a positive impact on their writing skills! Practise writing numerals correctly and counting in ones, twos, fives and tens.
