Happy Easter!

Another amazing term has flown by, we can't believe we only have 1 term of this school year left! Thank you to so many parents for joining us to share the progress your child is making and supporting us in getting the best from each and every one of them.

We hope you enjoyed looking at learning books and displays in school which celebrate all of the hard work that the children create.

This morning we presented 32 certificates for 100% attendance for the Spring Term and 32 certificates for 100% attendance for Spring + Autumn terms together. We aim for all children to have attendance of 95% and above. If children have low attendance their learning, confidence and social development is quickly affected.

Once again we are amazed by the creativity of our children and our parents in producing such interesting designs for the Lower School Easter Bonnet Parade. It was a difficult job choosing winners and they all looked lovely.

At the end of this term we are saying 'Goodbye and Good Luck' to Miss Hughes as she moves to a new school. We wish her every success and happiness.

We hope you have a lovely Easter Break with some fantastic weather forecast.

Children return to school on Tuesday 25th April as we have a staff training day on Monday 24th. On that day the teachers will be looking at learning in all subjects across the National Curriculum and the Teaching Assistants will be focussing on Maths and GPS.

Have an egg-citing holiday!

GOLDEN TABLE

Photos are of the children who were invited to join our Golden Table last week.

READ IT!

We have an amazing selection of books to choose from for the lucky winners. Children earn a Read It! Ticket for every time they prove they have read at home. We have so many children earning lots of tickets we choose a winner from each year group!

We are delighted with the effort the children (and parents!) have put into increasing the amount of reading practice they are doing at home. It is really helping. As well as our Read it! Raffle draw this week we have counted which child in each class has read the most this term and awarded them with a Reading Godmother Book.
