Classes 6 and 7 have visited Holy Trinity Church in Wilnecote this week to take part in Messy Easter workshops. Class 5 will be visiting on Wednesday 21st March.

The children really enjoyed taking part in lots of art and craft Easter activities and listened to the Easter story.

Consideration for our neighbours.

We have been informed of 2 concerning incidents that happened last Friday in Nymet. The first is that a parent was seen emptying the rubbish out of their car onto the pavement and the second was that a parent parked on a resident's drive when collecting their children.

The neighbours have reported these incidents to the police with photographs of the offending vehicles. Both of these incidents could be considered as criminal offences and certainly do not show good examples to our children.

Please show consideration for our neighbours when parking or waiting outside school.

KS1 would like to say a massive "Thank you" to the volunteers who gave up their time this week to walk with us to the local church and around our local area.

Our School Council have decided that they would like to support Sports Relief 2018.

On Friday 23rd March, all children are invited to either dress up as a sporting hero, wear a sports kit or sports clothing such as a tracksuit and trainers.

There will be fun sports activities taking place throughout the day too.

Please could you donate £1.00 to help us to raise lots of money for this great charity.

To find out more about the charity visit www.sportrelief.com.

Thank you for your support,
Bird's Bush School Council.
