REMINDER

School is closed to all pupils next Thursday (23rd May) as school is used as a Polling station

Our Reception children have been busy creating, measuring and investigating numbers.

Well done Year 6 and Year 2 children for their amazing resilience and effort with SATs - you are superstars!

Children can come to school in non-uniform next Friday (24th May) for a donation of £1.00.

We will be leaving the summer term dates and term dates for 2019/2020 on the newsletter and will highlight any dates that are added. Please check weekly for any updates.

Newsletters are available via the App, on the website, by clicking the text link or we will send it by email - if you give us your email address!

WALK TO SCHOOL WEEK

20th MAY—24th MAY

GET ACTIVE GET MOVING GET INVOLVED

Have fun and leave the stress of driving behind and think about the small changes you can make which will make a big difference to your child, you and the local environment.

You can still get involved if you live too far away from school to walk all of the way—park away from the area immediately outside school and walk the rest of the way.

1. Walking to school instead of driving saves a family on average £400 a year.
2. A 15 minute walk, cycle or scoot to and from school will provide your child with half of their recommended daily exercise.
3. Research has shown that children who walk to school are more alert in the classroom.
4. Over a third of parents say that their walk to school is where they find out most about their children.
