

# What have we been learning in Early Years this week?

3<sup>rd</sup> - 7<sup>th</sup> June 2019

Please remember to return homework books by the following Thursday.

## Read, Write, Inc/ Literacy

We would appreciate it if you could practise these sounds with your children at home:

g, c, k, u, b, f, e, l, h, sh, r, v, y,  
w, x, z

ch, sh, th, ng, nk, qu

This week we have focused on Goldilocks and the Three Bears, we have sequenced the story and wrote a letter to the Three Bears from Goldilocks

Our order has finally started to arrive! This is just one of the things we bought with the money you helped to raise, we bought a set of wooden blocks which allow for continuous open ended activities. The children have loved building with them, the boys pictured above have built a train.

## **Getting Ready for Year 1!**

We can't believe it is almost the end of term! In order to prepare our children for their transition to year 1 we will be teaching the children in larger groups for Literacy and Maths. Literacy and Math adult focus lessons currently happen once a week, with teaching happening in the provision daily. After half term there will be a Literacy and Maths lesson daily. However there will still be plenty of time for the children to learn through carefully planned continuous provision. The children have their transition morning on Monday 8<sup>th</sup> July where they will find out who their new teacher is.

All of the children in Reception will now be dismissed from Mrs Rumsey's door by the class teachers.

## Mathematics

In Mathematics this week we have been focusing on recognising teen numbers. We have done a variety of challenges including number ordering, missing numbers and addition. Some children have been learning numbers beyond 20!
