

What have we been learning in Early Years this week?

10th - 14th June 2019

Please remember to return homework books by the following Thursday.

Read, Write, Inc/ Literacy

We would appreciate it if you could practise these sounds with your children at home:

g, c, k, u, b, f, e, l, h, sh, r, v, y,
w, x, z

ch, sh, th, ng, nk, qu

This week we have focused on The Three Little Pigs, we have been learning about speech bubbles and we have also described the characters.

We are INDEPENDENT!

The children are becoming more independent in their learning as each day passes. We are so impressed with how the children have rose to the challenge of learning in bigger groups. Each day they gain more confidence in their abilities and the children show us this in their independent learning. Many children enjoy writing sentences and are starting to form their own stories. Other children have been applying their knowledge of counting on from a number during their independent learning, it was a tricky concept for lots of the children to understand, but once they did they were unstoppable!

Mathematics

In Mathematics this week we have been learning how to count on from a number. At first we did this in a pictorial way and as the children progressed we moved onto using number lines.

Next week...

Literacy

Next week in Literacy we will be consolidating a variety of skills we have learned over the year to complete challenges.

Mathematics

Next week in Mathematics we will be consolidating a variety of skills we have learned over the year to complete challenges.

Provision

Our provision next week will be based around fairy tales, with a particular focus on story writing.
