

# What have we been learning in Early Years this week?

24<sup>th</sup> - 28<sup>th</sup> June 2019

Please practise your child's lines for our assembly, they should be in their yellow reading diary. Our class assembly is on Monday 8<sup>th</sup> July at 2pm.

Next week...		<u>Read, Write, Inc/ Literacy</u>
Literacy	Mathematics	Provision
		<p>We would appreciate it if you could practise these sounds with your children at home:</p> <p>g, c, k, u, b, f, e, l, h, sh, r, v, y, w, x, z</p> <p>ch, sh, th, ng, nk, qu</p> <p>ay, ee, igh, ow, oo, oo, ar, or, ir</p> <p>This week we have been writing lists for our picnic. The children have tried really hard to use describing words.</p>

## We are independent!

This week the children have been doing lots of busy learning, consolidating all the different things they have been learning over the year. They have particularly enjoyed making kites out of various materials and testing them outside. Some children have been independent readers this week and have been reading the describing words and matching them to the correct character from our story Little Red Riding Hood.

## Mathematics

In Mathematics this week we have been recapping doubling. The children are very good at recalling double facts to 5 and are becoming more confident with double facts to 10.

<p>Next week in Literacy we are focusing on the story of Jack and the Beanstalk. We will be doing various pieces of writing including 'if I had a magic bean'.</p>	<p>Next week in Mathematics we will be recapping measuring.</p>	<p>Our provision next week will be based around Jack and the Beanstalk with a focus on our upcoming class assembly.</p>
