

# What have we been learning in Early Years this week?

8<sup>th</sup> - 12<sup>th</sup> July 2019

Thank you to all those who came to our class assembly, we hope you enjoyed it!

## Read, Write, Inc/ Literacy

We would appreciate it if you could practise these sounds with your children at home:

g, c, k, u, b, f, e, l, h, sh, r, v, y,  
w, x, z

ch, sh, th, ng, nk, qu

ay, ee, igh, ow, oo, oo, ar, or, ir

This week the children wrote a recount of Sports Day.

## **We are ready for Year 1!**

This week the children were 'Year 1 children' for most of Monday morning. They met their new teacher Mr Fowler and spent some time getting to know him and their new classroom. The children had lots of fun and are now feeling very grown up and excited for September!

## Mathematics

In Mathematics this week we followed the children's interests and recapped money. The children created their own ice cream shop and had to sell the ice creams. The children are very good at counting 1p and 2p coins, some went on to count with higher coins!

## **Sports Day.**

The children completed their first sports day on Wednesday. Thank you to those who came to cheer our children on! Each child raced for their house team in order to gain points. The children had lots of fun and certainly are champions. Congratulations to the Emerald Eagles!

## **The last week of term...**

Can you believe next week is the last week of term? We have had such a fantastic year with your children and they will be greatly missed when they go to year 1. We have a very busy last week ensuring we are ready for Year 1. The children will be doing transition activities for Literacy, and fun problem solving activities for Maths. We will also start sending home the children's work and learning journeys, so please ensure the children have their book bags in every day. The children will only bring home their first Learning Journey as their latest one will go to Year 1.
