1. Assessment, Targets & Review

<p>Details of how children and young people's special educational needs are identified.</p> <p>Details of how parents and carers are informed that their child has special educational needs, including how the school communicates with parents and carers in particular parents and carers whose first language is not English.</p>	<ul style="list-style-type: none">• All children starting our school, will be invited to visit and meet their new teacher. At this opportunity, information from parents can be shared regarding their child's needs and education.• All children are assessed when they join our school, so that we can build upon their prior learning. We use this information to provide starting points for the development of an appropriate curriculum for all our children. Pupils whose language is not English will have a first language assessment.• Children who join us from other schools are supported using information obtained from previous school. We then use this information to ensure they are placed in appropriate groups.• If assessments show that a child may have a learning difficulty parents are contacted at the earliest opportunity to discuss concerns and enlist their active help and participation. If additional support is required their child will be placed on the Special Educational Needs (SEN) register and extra provision is provided.• If parents are unable to understand English, we encourage them to bring along a trusted friend who can translate for them or a translator will be provided by the school.
<p>Details of how children and young people's special educational needs are assessed.</p> <p>Details of how progress is measured and evaluated.</p>	<ul style="list-style-type: none">• All pupils in the Early Years Foundation Stage are assessed against the 'Development Matters in Early Years Foundation Stage' criteria. This is carried out throughout the school day, in all areas of the curriculum, through observations, pupils work and responses.• To ensure our assessments are accurate, all judgements are moderated both within school and with other schools across the Multi-Academy Trust and the local network.• From years 1 to 6, all pupils are assessed in reading, writing, speaking and listening, mathematics and science on a termly basis. This is an on-going process using age related targets. If a pupil is not making expected progress, areas of need will be identified and additional support/intervention will be provided.• In Year 1, a formal assessment of each child's phonic ability is made and any child not achieving expected levels are then identified for Phonics intervention and are re-tested in year 2.• In Year 2, children will be assessed by teacher assessment. In Year 6, pupils having special educational needs support, who are not exempt from testing, will sit the SATs test. Accurate progress data from the class teacher, data from the impact of intervention and information from IEP's all contribute to the assessment.• In addition, pupils with SEND are assessed against their Individual Educational Plan (IEP) targets. Targets are reviewed

	<p>and set on a termly basis and/or when appropriate more , to break down their learning into manageable steps to meet their individual needs, allowing key concepts to be re-visited on a regular basis.</p> <ul style="list-style-type: none"> • All pupils on the SEN register receive support for their areas of need.
<p>Details of how children and young people’s special educational needs are monitored and reviewed.</p> <p>Details of how often monitoring and reviews take place.</p>	<ul style="list-style-type: none"> • Teachers, parents and all staff working with the child agree/ set the IEP targets for. Appropriate support is then in place the pupils in achieving their set targets. If required, the targets will be revised and strategies, support or provision will be adjusted to meet the child’s needs to enable them to achieve the outcomes set. • Review meetings are held with the team around the child, including parents and where possible/appropriate with the child. The targets are reviewed and set on a termly basis and/or when appropriate throughout the school year.
<p>Details of how children and young people’s needs are provided for (level of impact / of support)</p> <p>Details of how parents/carers can be involved and how they can support their child.</p> <p>Details of how parents and carers/ children and young people can raise any general concerns they may have.</p> <p>Details of training opportunities/learning events provided by the school for parents/carers.</p>	<ul style="list-style-type: none"> • Pupils’ specific areas of need are supported through interventions e.g. One to One support, small group withdrawal sessions, in class support. All targets including their IEP targets are set prior to intervention. Pupils’ progress and achievement are monitored throughout the year. Targets reflect the ongoing assessment and advice of any external agencies. • All interventions planned and delivered across the school are recorded on a ‘Provision Map’. Progress is monitored throughout the interventions and the impact of the intervention is evaluated. This information is then added to the ‘Provision Map’. • Parents/carers are informed of interventions and identified support their child will be receiving. This will take place in the form of a parent meeting with the class teacher, and the SENCo where appropriate. • During the review session with parents/carers, teachers will provide a copy of the IEP which outlines strategies to support their child and will give suggestions of extra activities they can do at home. Targets will be discussed and agreed with parents. • Class teachers are available to parents/carers on a daily basis, both at the beginning and end of the school day. Appointments for further discussion will be made if needed. • Parents/carers evenings are held on a termly basis. • Review meetings take place on a termly basis, which may be part of the parents meeting, to discuss targets, reviews and additional support. • Any significant changes made to a pupil’s SEN provision will be discussed with parents. • Homework is set on a weekly basis. • Reading books are sent home weekly and parents/carers are encouraged to make comments about their child’s reading. We encourage the children to read at least three times weekly at home with an adult.

	<ul style="list-style-type: none"> • Throughout the year we offer a range of workshops for parent/carers to allow them to gain an understanding of the curriculum and ideas of how to support their child at home. • The school works closely with other agencies and professionals, such as; Educational Psychologists, Occupational Therapy and Speech and Language.
