3B CELEBRATION OF LEARNING ASSEMBLY

Well done to Class 3B who held a great celebration assembly today for their parents and families about Ancient Egyptians, even showing the gory bits!

Parent Consultation Evenings

Parent's evening this term are on 25th and 26th March. Please book your appointment through our online system via the text link you will be sent, or through this link in your browser. If you have difficulty booking online, please contact the school office.

You will also receive a Spring term attainment report showing where your child is currently working at towards their Age Related Expectations (ARE) at the end of the year. The first number is the Year group expectations they are working in and the second number is where they are - so, for example, a child in Year 2 who is on-track to meet their ARE will be 2:4 at this point in the year. ARE at the end of the year is *:6.

Please remember that children are all different, have different strengths and difficulties and progress at different rates in different areas. If you have any concerns, please discuss these with class teachers.

Department for Education Coronavirus helpline

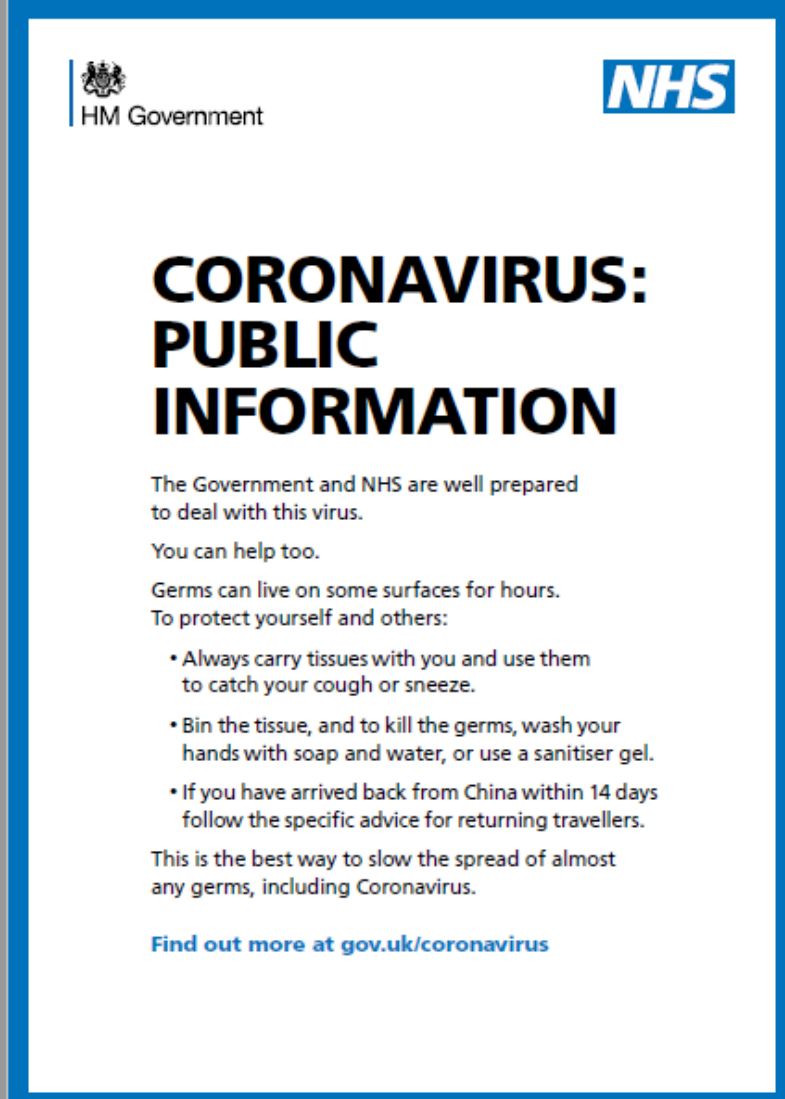

On Tuesday, the Department for Education launched a new helpline to answer questions about COVID-19 related to education. Staff, parents and young people can contact the helpline as follows:

Phone: 0800 046 8687

Email: DfE.coronavirushelpline@education.gov.uk

Opening hours: 8am to 6pm (Monday to Friday)

The current advice is *“No school should close in response to a suspected (or confirmed) COVID-19 case unless advised to do so by Public Health England.”*

The poster features the HM Government logo and the NHS logo at the top. The main title is 'CORONAVIRUS: PUBLIC INFORMATION'. Below the title, it states: 'The Government and NHS are well prepared to deal with this virus. You can help too. Germs can live on some surfaces for hours. To protect yourself and others:'. It then lists three bullet points: 'Always carry tissues with you and use them to catch your cough or sneeze.', 'Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.', and 'If you have arrived back from China within 14 days follow the specific advice for returning travellers.'. It concludes with: 'This is the best way to slow the spread of almost any germs, including Coronavirus.' and a link: 'Find out more at gov.uk/coronavirus'.
