

Bird's Bush News

Spring 2 Closure week 1

27th March 2020

Please make sure we have your up-to-date contact number so that we can contact you and keep you updated with our message system.

Stay Safe - School is a very strange place with only a few children. Hope everyone is coping okay, please get in touch by email or phone if you need us. Mrs Barnes

Messages from School

Hi all

Its only been a week since I've seen you all waving and smiling when I'm on the crossing. Your'e all like a ray of sunshine that brighten up my days. I hope you are all well and working hard on the packs you took home. Miss you all. Parents, I'm thinking of you all.

Take care and
stay safe all
my love

Tracey x

Year 6

Hello year six! It is really strange to not see you all for our morning lessons and intervention afternoons. I hope you have enjoyed the ten minute reading challenges and have started to research a British Scientist. Don't worry if not as you have plenty of time. Please e mail to say hi and feel free to share any photo, short videos or updates about what you have been up to. This weekend I am very much looking forward to watching Mandalorian as it looks awesome and I have been told that I must go on the trampoline to exercise more! I am really missing you all and (don't tell my kids) much prefer teaching you guys in school than home schooling! Please stay safe and make the most of your family time.

Love Mrs Davies

Newsletters are available via the App, on the website, by clicking the text link or we will send it by email - if you give us your email address!

Hi 2S,

Wow, it is strange not seeing your smiling faces every day! I'm missing you all very much and I've been thinking a lot about all the wonderful things you will be doing at home. I hope you are showing your adults what fabulous champion learners you are but also enjoying spending some quality time with your loved ones. I've seen that some of you have been using TT Rockstars to exercise your maths brains and I'm very impressed. If you haven't used it yet, get on there... we have a 2S vs 2C battle going on and we need your help! I would love to hear from you on our year group email. Please feel free to email me pictures, videos and messages about your day and what you have been up to. Also email me if you need help with your learning... I'm missing our learning time together!

Keep safe and keep smiling,

Miss Smith x

P.S- You can all be Star of the Day every day whilst you're learning at home!

Wow 6H, what a different week!

I've missed chatting to you all about what you're reading, what you've been up to, and listening to your funny (or dreadful!) jokes.

I hope you have enjoyed your learning this week. Please share your writing with me: I can't wait to see what you found out about those scientists. I'm even more excited about next weeks challenge. I'll upload the timetable to the home learning folder soon. Please don't worry if you haven't completed all of the work, or have done it in a different order. The weather has been lovely, so I hope you've been spending some time playing in the garden too and not worrying about school work.

Have you seen all of the exciting online learning opportunities? I bet lots of you are joining in the daily Joe Wickes workout, listening to the David Walliams stories, and there's also a daily maths lesson solving some awesome problems at <http://www.iseemaths.com/lessons56/>

Please send me some solutions, or pictures of your working out. There's only so much Numberblocks I can take with Charlie. Save my sanity and send me some exciting learning over!

I was so excited to see Taskmaster produce Stay at home tasks released on YouTube. Why not try some of those with people at home? I wish we'd had time to try more at school, but send me your attempts for the Stay At Home tasks and we could have a shout out to the most creative in the next newsletter!

Hope to speak to you all soon. Mrs Hathaway x

Dear 2C

I hope that you're all taking care of one another at home. It's very strange not to see you all every day and I am missing you all. My days are very quiet without you all! I hope that you will send me an email on the year 2 email address so I can stay up to date: bb.y2homelearning@perryhallmat.co.uk I'd love to know what you've been up to, whether it's one of the home learning activities or something else. Remember to keep logging into your TTRockstars account so you get really fast at your times tables and amaze everyone. Miss Smith and I have set some special tournaments so keep an eye out for these – every coin counts!

I saw a link to some David Walliams stories online and thought of you all as I know how much we loved reading Blob by David Walliams this year. Here's the link if you would like to listen to more: <https://www.worldofdavidwalliams.com/elevenses/>

Take care and stay safe. I'm looking forward to hearing from you all.

Best wishes,

Miss Collins xx

catch it, bin it, kill it

- Try not to touch your eyes, nose, and mouth with unwashed hands
- Do not share items that come into contact with your mouth such as cups & bottles
- If unwell do not share items such as bedding, dishes, pencils & towels

Hello Reception!

We hope you have been enjoying some time with your family and the lovely weather we have had. We are missing all of your lovely smiles. We hope that you have been enjoying your learning packs, I wondered if any of you had tried any recipes yet? I think I will be making some cakes at the weekend!

Thank you to all those children that have been sending us emails, they have put a big smile on our faces! If you would like to keep spreading a little bit of hope and cheer, you could paint a rainbow to put in your window.

Please stay safe, and remember to keep washing your hands! See if you can teach your grown up the 'wash your hands' song we have been singing in school. We will see you all soon.

Love Miss Thornton.

Practise social distancing

Self-isolate with cough or fever

Wash hands regularly

Hello Lower Juniors!

I hope you're all settling into your new routines well. It's lovely to see how creative and productive you've been. Your adults seem to have done a brilliant job managing such a big change so quick.

Please remember to email us on bb.y3homelearning@perryhallmat.co.uk or

bb.y4homelearning@perryhallmat.co.uk, to let us know how you're getting on. We miss you all terribly, and whether it's to ask questions about work, share some pictures of what you've been up to, or just a chat if you're feeling a little lonely – we're here.

School is quiet and we can't wait to see you all. Hopefully it'll be soon!

Stay safe. Please look after yourselves. Get fresh air, listen to your grown-ups and stay in touch with each other and those special people in your lives.

Mrs Guilder, Mrs Brooke and Mr Billings.
xx

Arrangements for collection of Free School Meals hampers will be text to you as soon as it is all sorted. We will likely be giving time slots to come and collect so that we can maintain social distancing.

Bear with us while we get things sorted.

Thanks

HOW TO DO SOCIAL DISTANCING

- NO HANDSHAKES OR HUGS
- KEEP YOUR DISTANCE (about 6 feet)
- WORK REMOTELY
- AVOID CROWDS
- STAY AT HOME
- WASH YOUR HANDS

Well hello there 5/6G

It's really odd not seeing your smiling faces and hearing your fantastic tales every day. I am missing you and I hope you are all staying safe and following all the guidelines about protecting yourselves and others.

Please email me with your exciting news and any gossip I may be missing out on! I'd love to see what you've been up to.

I'm doing my Joe Wickes every morning with Megan so hope you're keeping up.

Your challenge next week is to play a new game. It could be a board game or outside or one you make up yourself - have fun too!

Stay safe and please get in touch. Mrs Gould

Year 1

Hello Year 1! It has been really strange not being with you all this week and I have missed doing all the exciting lessons with you. I hope that you all have been really busy with different activities and projects. Please e-mail to say hello and let me know what you have been doing. I would love to see some pictures too!

I have been keeping busy at home and have been going on 1 long walk each day to get some fresh air. I really miss you all and cannot wait for you to be back in our classroom.

Please keep busy and remember to be good for your families, they are doing such great jobs looking after you!

I will be sending out some more activities and ideas for you next week, but please remember to look at some of the websites or ideas I put in the home learning pack last week or on our school website.

Please remember to send me an e-mail!

bb.y1homelearning@perryhallmat.co.uk

Love, Mr. Fowler

Ideas that don't need technology!

- Follow a recipe to work on your maths skills
- Write your phonics sounds on pieces of paper and stick them on the wall. Call them out and shoot them with your Nerf gun
- Use an old washing up liquid bottle filled with water to write your phonics sounds on the path
- Make some shakers with empty pots
- Make a poster to say Thank you to the NHS and put it in your window
- Find a large stone in your garden and paint it
- Find things in your house with numbers on and make up some calculations
- Write a story to create a new adventure for your favourite character from a book, film or TV show
- Find an interesting object and write a story about it or a newspaper report. Where has it come from? How did it get here? Why?
- Do a jigsaw
- Play a board game
- Build a den to read your favourite book in
- Make a drum kit with saucepans and pots and practice keeping a steady beat
- Sing some songs or write your own songs
- Do a colour treasure hunt; find 10 things that are green, 9 things blue etc draw or take photos

Send us your photos, pictures, ideas and news through the class email. We would like every child to contact their teacher at least once a week.

STAY SAFE
