Summer 1 Closure week 5

24th April 2020

Please make sure we have your up-to-date contact number so that we can contact you and keep you updated with our message system.

Welcome to the Summer Term

Well, at this point in the year we are usually speeding towards SATs and phonics tests, the rounder's pitch and running track appear and we can play on the field at lunchtime. This year is certainly different for all of us and for some it is getting more difficult.

The most important thing is the health and well being of our children and families. If the learning task we send are not working for you in your houses, please do not stress about it - there are lots of learning opportunities that are all as important. If your child is struggling with their learning pack, have a look at the one for the year below on the website - it's fine.

Teachers are checking class emails daily and trying to phone for a catch up. Please use the class email to ask any questions or raise anything you need help with. We love seeing the messages and photos that are being sent and love sharing them on the newsletter, our twitter feed and on the website.

The government advice remains the same that if children can stay at home they should, this is the safest place for them and us. We are still open for vulnerable children and children of key workers but children must be booked in with us so that we can plan staffing accordingly. Please get in touch if you need us.

Stay home, stay safe and see you soon, Mrs Barnes x

SCHOOL WILL NOT BE OPEN ON FRIDAY 8TH MAY FOR ANY CHILDREN

Farewell Mrs Guilder

We are sad to say that Mrs Guilder will not be returning with us after the Easter Holiday. Please be assured that she is fine and made this decision a while back and it has nothing to do with the current situation.

Mrs Guilder will be missed at Bird's Bush. She has been with us for 15 years and has taught every age group in the school during her time with us.

Mrs Guilder has decided to take a break from teaching and spend more time with her family - something she is certainly able to do at the moment. We wish her our love and best wishes and will arrange a proper farewell when we are back in school.

We will definitely be keeping in touch. All the best Mrs Guilder, we will miss you xxxx

Newsletters are available via the App, on the website, by clicking the text link or we will send it by email - if you give us your email address!

Hi year 5/6

Hope you are all keeping well and busy and being kind to your adults. School is very quiet without you I can't wait to see you all again . I hope you all had an egg-cellent Easter and are now settling back down into some school work , which I know you'll all be soooo.. excited about. On a positive note Sam is so happy to have us home with him , on a not so positive note year 6 the wedding diet is not so good . When we are all back together you will have to keep an eye on me (Josh) . Keep safe , stay home and I look forward to seeing you all soon

Love Mrs R Xxx

Hello my lovely Bird's Bush children,

I hope you are all well and keeping safe at home. Missing you lots. I am looking forward to all the lovely stories you will have to tell me of what you have been up to and the adventures you've had whilst you have not been at school. I know that it has been a funny Easter holiday, but I hope you had fun all the same. I am looking forward to seeing you all again soon. Be kind to one another, stay home, stay safe. I'm so proud of you, keep up the good work.

From Mrs Coleman

Hi guys,
Wow what a strange time at the moment. I hope you are all keeping busy and looking after your adults.
We are launching a new computer platform for you next week which I am sure you will love exploring. It will be a fantastic way for you to share your learning and keep in touch with your class teachers. They have been learning how to use it this week but I'm sure you will be able to teach them lots more once you have looked though. I have already set you some small challenges to have a look at and you should have an email in there to reply to. As you can see I am soooo excited to get this up and running, let us know what you think about it. If you struggle, email your class teacher and ask them about it on the homelearning email.
STAY SAFE, STAY HOME AND KEEP SMILING.
Hope to hear from you all soon
Mrs Hall xx

Hi Year 1 & 2,

We're missing seeing you all at school and hope that you are all ok and being good for your families.

Make sure you enjoy some fresh air every day and keep safe by washing your hands lots.

Year 2, don't forget the TT Rockstars challenge and enjoy doing your learning still, whether that's doing your learning packs, by using all the online learning that's available or doing some jobs at home like gardening or cooking. Keep your brains and bodies active!

Year 1, keep Mr Fowler on his toes by sending him plenty of things by email – your work, pictures or activities you have done.

Take care, keep smiling and stay safe,

Love Mrs Booton & Mrs Harper xx

Hello year 5/6

I'm missing you all lots and can't wait to see your smiley faces again . Hope you are keeping busy and doing lots of lovely activities with your family , at least the sun is shiny for us all .

I've been doing a lot of cooking with my girls and sitting in the garden watching the wild life .

Take care , stay safe and I look forward to seeing you all soon .

Mrs Markley Xxx

School Meal Arrangements

The government voucher scheme is now operational. It has been a nightmare for everyone but they have promised to get it sorted. All of you who registered for the scheme should now have received your e-code this week and been able to redeem it for your e-gift card. This will happen each week (hopefully on a Monday) during school closure. Aldi is now on the list of supermarkets you can get the e-gift card for.

If you are claiming the voucher and your child is in school, you must send them with a packed lunch as you cannot have both the voucher and a free school meal at school.

If your child is attending school and they are in Reception, Year 1 or Year 2, they are still entitled to their Universal Free school meal.

If you are not claiming Free School Meals but think you may be eligible we sent out a survey to complete for us to check for you. If you didn't complete the survey but think you may be eligible please email the office with your full name, date of birth, national insurance number and contact phone number and we can send it off to be checked next time.

The three little wolfs
 Once upon a time there were 3 wolfs
 wolves. They decided to move out and
 build their own houses. The first wolf was
 quite lazy so he got a pile of straw
 and built a house. The second was
 the complet opposite. He was very hard
 working so he built a house of bricks
 and spent 3 weeks doing it. The third
 used dancing. So he built a house
 of sticks and after he danced. They
 were being the 2nd brother for taking 3
 weeks. That night the Big Bad pig
 he had strong hands he could make thigs
 Calapes he saw the houses. The first
 house was easy with a stick faster
 than a blink of an eye. Pop it went
 down. The 2nd he couldnt knock down

He gave up went straight up to the 3rd house
 and blow it over both ran to the 3rd house.
 The next day the other two ^{Realized} ~~thought~~
 working hard is does have you they spent
 3 weeks making brick houses.
 The End!

 The high yellow slide with a lovely gently
 girl to the side of it is a long
 purple rug. How amazing it is! At the
 back of the picture is a bright
 yellow sun with beautiful white cloud
 next to it. Underneath there is a multi-
 coloured flower. The garden is to be
 used as a good. Next to them is people
 reading and sitting on a steady brown
 bench others are sitting. The bench is
 steady as a diving board. What a
 stunning picture it is! At the front of
 the picture is a long black dog
 Woosty and barking. The dog is as long
 as an elephant. How beautiful it is!
 behind him is a beautiful orange cat
 going to get bright. The cat is
 a purple balloon drifting away. The balloon
 is pink as a pig. How fantastic
 it is. What a lovely picture it
 is.

Send us your photos, pictures, ideas and news though the class email. We would like every child to contact their teacher at least once a week.

STAY SAFE
