Spring 2 Closure week 4

1st May 2020

Stay Home, Stay Safe.

Please make sure we have your up-to-date contact number and email address so that we can contact you and keep you updated with our message system.

Another week in lockdown and we're in May already! I hope everyone is staying well and no one is falling ill with this horrible virus. There has been no definite indication about when school may reopen so we will just keep going and trying our best to support you all during this difficult time. Please get in touch if you need any help or if you just want a chat.

Purple Mash seems a popular addition to our home learning package, please let us know if you have not had your log in by email so that we can get you set up. 66% of you have been on so far - lets get to 100%

Home learning should not be an added stress. Please do what you can - our health and well being is the most important thing during this time. Play games, talk about things, read together - make it fun and send up a photo! Missing you all!! Stay safe - Mrs Barnes x

★ Home Learning Champions of the Week - We love getting your emails -

★ please get in touch at least once a week!

Elsie F and family -the emails are fantastic and really encouraging

Ruby W- Great learning!

Annabelle P - Great life size Human body!

Lily-May D fantastic story

Daisy T Daisy - has been keeping busy with lots of interesting activities

Alfie C (4b) - Great work on Purple Mash

Newsletters are available via the App, on the website, by clicking the text link and by email

In School

We continue to provide childcare for vulnerable children and children of key workers. Every day is different and we range from 2 children in school to the highest we have had which has been 17! In school the children are expected to continue with learning using the same packs we are sending home, Purple Mash and other activities which we have planned for theme based learning.

Some Home learning photos this week

BEFORE YOU...

STOP

and
THINK!
Is it...

True
Helpful
Inspiring
Necessary
Kind

catch it, bin it, kill it

If you need to cough or sneeze

- Callah! with a tissue
- Bin it
- Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

- After breaks & sport activities
- Before cooking & eating
- On arrival at any classroom or educational setting
- After using the toilet
- Before leaving home

- Try not to touch your eyes, nose, and mouth with un-washed hands
- Do not share items that come into contact with your mouth such as cups & bottles
- If unwell do not share items such as bedding, dishes, pencils & towels

Practise social distancing

Self-isolate with cough or fever

Wash hands regularly
