## Stay Home, Stay Safe.

Please make sure we have your up-to-date contact number and email address so that we can contact you and keep you updated with our message system.

Hi everyone.

We are working with the Government guidance to make all the necessary arrangements for potentially re-opening school from 1st June to certain year groups. There are lots of things to consider and we will have some initial arrangements out to you by the end of next week. What we know so far is that children in Year 6, Year 1 and Reception are prioritised to return first and children will be grouped in no more than 1- this means they may not be in their own room or with their own teacher but we are working on making it as "normal" as possible. Parents will not be penalised for not sending children back into school if your home situation enables you to choose to keep them at home.

We hope you are all keeping well and keeping safe. The emails and photos are lovely and we are so happy that you are continuing to send them in. Stay safe. Mrs Barnes x

It was great to have our traditional “End of SATs week party” with Year 6. Even though they haven't done SATs this year, they had worked so hard towards this point that we still wanted to celebrate. We had great fun cracking the clues in the virtual escape room. So fab reasoning and logic folks.

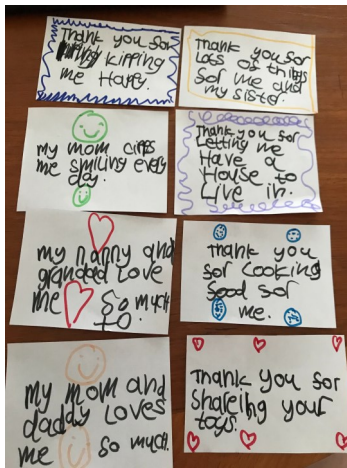

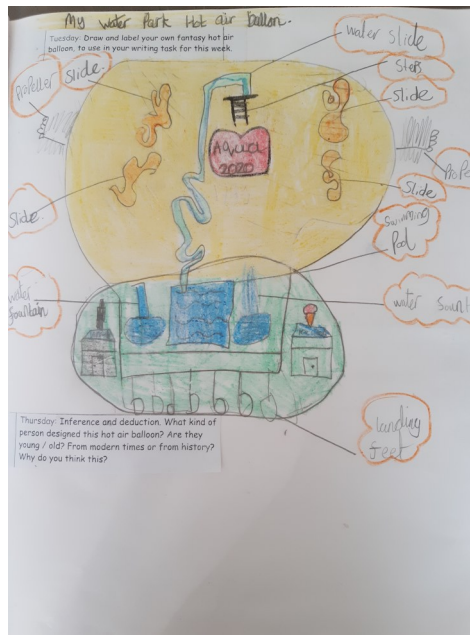

If anyone wants a go at the Harry Potter theme virtual escape room you can find it here:
