Summer 2 Closure week 1

3rd July 2020

Please make sure we have your up-to-date contact number and email address so that we can contact you and keep you updated with our message system.

Stay Alert, Stay Safe.

Hi everyone

This week we have welcomed back children from Reception and Year 5. In total we have now made provision for 99 children in school. Back in week 1 of lockdown we had 8 children on the list, it has certainly been a journey of changes for all of us.

Yesterday the guidance was released about reopening in September. School returns on Wednesday 2nd September - further details of how the start and end of the day will work will be sent out before we come back when we have made all the arrangements that we need to.

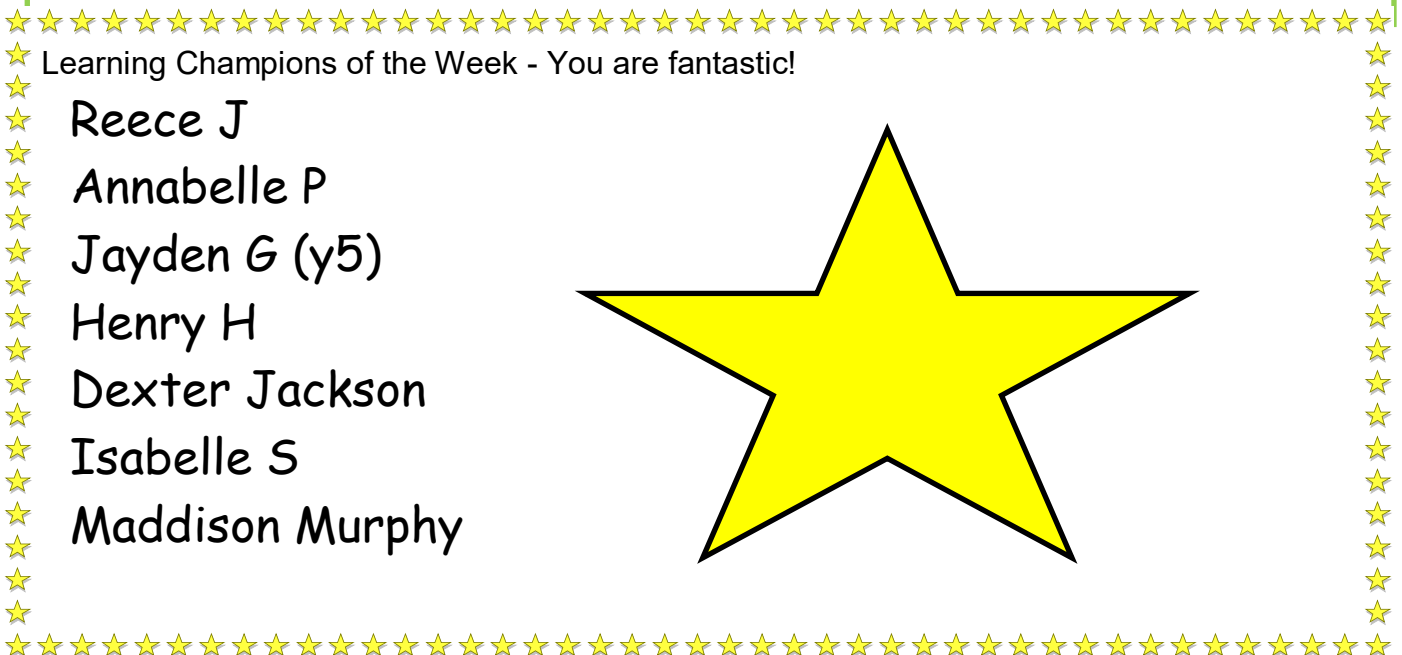

Children will be expected to wear school uniform when we come back

Children will be in class 'bubbles' and will remain together all day so that we minimise the contact between the bubble groups. Children will not have to socially distance from each other in their bubble but adults will still have to remain 2m away. Regular handwashing and cleaning will continue and classrooms will look different as the guidance says children are best kept in rows so that they are not directly facing another child.

Next Friday you will receive your child's annual report and a transition presentation from next year's teacher. We will be sending these out by email so please let us know if you have not had emails from us during lockdown so we can update our system. If you need us to send a report to another person (with parental responsibility), please send us their email address also.

School will close on Thursday 16th July for all pupils.
