

## Bird's Bush News

Summer 2 - week 300!

Please make sure we have your upto-date contact number and email address so that we can contact you and keep you updated with our message system. 10th July 2020

## Hi everyone

I can't quite believe we are nearly at the real end of the school year. It has certainly been a very strange year and it looks like things will still be different when we come back in September.

Today we have sent out the annual report for pupils via Purple Mash. Due to data protection laws we have to send reports through a secure method so by uploading them onto your Purple Mash account only you can access it without needing another password. All reports should be uploaded by the end of today. You will also receive an email with information about classes for next year and some other updates, and a presentation from your new class teacher. This also has your holiday homework on it.

If you have any questions or concerns, please contact your current class teacher using the class email address.

Next week school will close on Monday for Year 6 bubbles, on Wednesday for Reception and Year 1 bubbles and at **1pm** on Thursday 16th July for Year 5 bubbles and all other pupils.

We hope you are all keeping well, it has been worrying to hear that a few families have been affected by the virus and we wish you all a speedy recovery. Stay safe x
