

What have we been learning in Early Years this week?

21st - 25th September 2020

Please remember you can email eyfs@perryhallmat.co.uk at any time with any WOW moments.

This week our learning has been based around the story *Silly Billy* by Antony Browne. We have been exploring different emotions. Linking to the story we made worry wands so we could magic away our worries. The children loved going on a walk around school to find different sticks.

Mathematics

In Maths this week we have been learning how to sort objects into groups. The children found this tricky earlier in the week so instead of focusing on numbers 1, 2 and 3 we have been playing lots of sorting games. We have been sorting objects by colour and height. We have also been counting how many we have in each group. You could always try sorting things at home too.

The children love playing on the bikes outside. We are trying hard to negotiate space and not bump into our friends! We have also been encouraging the children to use full sentences when they would like a turn on the bike, rather than just asking an adult to help them, for example they have said 'Can I have a turn on the bike please?' to their friends.

Read Write Inc.

The children have been doing very well in learning the picture mnemonic for each sound. We have sent these pictures home for you to keep. Now that most of the children know the pictures we have started learning our very first sound -

m

You could always hide lots of this sound around your house and go on a sound hunt. You could also see how many things at home you can find that begin with 'm' for example 'mmmm milk'

Next Week		
<p>RWI</p> <p>The children will be learning the sounds 'a, s, d' next week during their speed sound lesson.</p> <p>This will be followed by fred talk games and we will support the children in learning to write the sound.</p> <p>A Read Write Inc Parent Workshop Power Point will be available on our school website and on our class TEAMS from today.</p>	<p>Mathematics</p> <p>Next week we will be focusing on numbers with the children. We will be focusing on numbers 1, 2 and 3 and we will be sorting various objects to link in our learning from last week.</p>	<p>Provision</p> <p>Our provision next week will be focused around the story 'Owl Babies' which is a much loved book.</p> <p>We will also be doing some activities in the morning to support the children's cutting skills.</p>
