

# What have we been learning in Early Years this week?

2<sup>nd</sup> – 6<sup>th</sup> November 2020

Please remember you can email [eyfs@perryhallmat.co.uk](mailto:eyfs@perryhallmat.co.uk) at any time with any WOW moments.

## Read Write Inc.

This week the children have been split into two groups. This is so we can specifically support some children whilst moving others on. The children are doing very well and absolutely love their phonics lessons, to the point where they have been playing teachers in the provision!

The children have learned these sounds so far:

m a s d t i n p g o c

We would appreciate if you could support your children at home by practising these sounds.

On Thursday we did lots of exciting bonfire night activities, including looking at how to be safe on bonfire night. The children have enjoyed painting firework pictures, making rockets and many other bonfire themed challenges.

## Mathematics

In Maths this week we have been learning how we can make marks to represent number. The children have been carefully making their marks and checking by counting. We will be putting out lots of challenges in the provision linked to this next week.

The children have been settling back into their school routines. So we have been doing lots of turn taking and sharing games. The children loved exploring the ice and frost earlier on Wednesday as we had a very cold morning! Morrison's also contacted us to ask us to contribute to their poppy display for Remembrance Day, so keep an eye out for our poppies next time you shop there!

## **Next Week**

### **RWI**

Next week children will be learning:  
k, u, b, f

RWI will be followed by fred talk games, word time and we will also be supporting the children in writing the sound.

A Read Write Inc Parent Workshop Power Point is now available on our school website and on our class TEAMS.

### **Mathematics**

Next week we will be learning the numbers 6 and 7. We will be doing addition with these numbers and particularly focusing on finding one more.

### **Provision**

Our provision next week will be based around our new story The Enormous Turnip.

We will also be looking at Remembrance day and creating some beautiful artwork by printing with apples.
