

PE

Our children learn outdoors daily, accessing a range of equipment to support their physical development. Throughout our provision we provide activities which develop gross and fine motor skills effectively. After Christmas we will start PE lessons in the hall.

Outdoor Learning

The children will have the choice to access the outdoor area **EVERYDAY, ALL WEATHERS** so please make sure they come to school with the appropriate clothing to do so. **You are welcome to leave named wellies in a bag on your child's peg.**

Parents as Partners

We highly value our parent partnerships in Early Years. Please feel free to email us with any 'wow' moments which happen at home. We will then print these off and add them to your child's learning journey. These 'Wow' moments could be something as simple as tidying a mess, having a go at something new or even writing their name. eyfs@perryhallmat.co.uk

Ruth Miskin's Read Write Inc

The children are now learning phonics through Read, Write Inc and they are doing very well!. You should all have access to an online Parent Workshop for Read Write Inc now. We would be grateful if you could continue to encourage 'Fred Talk' (sounding out words) at home as this will help the children develop their listening skills.

Parent Partnerships & Special Days in School:

This year we plan to create a virtual Nativity video which will be uploaded to the school website. This term is all about celebrations, so please, if you have a celebration at home send it to eyfs@perryhallmat.co.uk so we can share it with all of the children. We will be having a Christmas Craft morning with the children in December.

How to support your child at home:

Reading is incredibly important and we ask that children read every day with parents signing their diaries. For every diary entry, children will receive a Read It ticket and earn the chance to win a reading book during our Friday celebration assembly. For our reception children, bedtime stories will also go towards a ticket!
