Lockdown Learning

Another FANTASTIC week of remote learning - You are all true superstars and your parents/carers are Superheroes too!!!!

Thank you for the feedback about Screen Break day - it seems that lots of you really enjoyed the change and the photos are just amazing. I've tried to include as many as possible!

It has been wonderful that the Year 1 & 2 Critical Worker and Vulnerable Children, who are usually in school, have joined in all of the learning remotely this week while in isolation - we hope that no one has developed any symptoms. Please let me know if you have as I have to report to Public Health. We look forward to reopening the Year 1&2 bubble on Tuesday.

I'm sure many of you have seen our public campaign to raise funds to buy additional devices to lend to our children at home to be able to fully access remote learning. The response has been amazing - within 48 hours we had £600 donated - this means we can give out more devices. We have already given out 26 laptops and 16 Ipads, but we know we need more. Please share this link on your social media platforms [Help our children with remote learning](#) - what we manage to purchase will be useful when we are back in school - whenever that may be!

Don't forget that it is half term from Friday 12th February and we reopen for Critical worker and vulnerable children only on Monday 22nd February. There will be no remote learning during half term week.

FEATURE ON MENTAL HEALTH WEEK

This is a difficult time for everyone - nothing is normal and it is hard to understand and explain that to children, especially as we don't know when things will get back to normal - if ever! The stay safe message is not just about minimising the risk of COVID, our mental health is vitally important to help us get through this time. Every day Mr Mahay posts a positive quote in the Bubble Teams - we are in this together!

Please seek help if you are feeling anxious or low - your children need you!

Free School Meals

The Edenred voucher scheme will continue after half term. For Half term week you will receive a voucher link from school next week to redeem your half term allowance.

If your child is attending school and you have opted for vouchers, you will need to provide a packed lunch each day as you cannot have vouchers and a free meal at school.

Children in Reception, Year 1 and Year 2 will continue to receive Universal Free school meals in school if they are attending.

If you currently do not claim free school meals and your circumstances change, please speak to the school office to check your eligibility.
