

12.02.21 - Bird's Bush Lockdown News

16th February 2021

opening paragraph:

Tigers are a very dangerous creature but they are very special because the popularity of seeing one is probably about 5%.

Appearance:

Tigers look very unique! Their fluffy, thick coat could be either tanned red or orange with large thick stripes of white. You would mostly see tigers with orange and white fur as tanned red is not as popular.

Diet:

Wild cats (Tigers) eat a variety of food such as animals with meat on them like a wild pig, a buffalo or deer. They don't always just eat animals though, they eat humans too. They try to get their dinner by biting other animals' necks and suffocating them. The violent, wild tigers will do anything for food.

closing paragraph: (habitat)

Tigers' habitats get destroyed every month! People chop down the trees that the tigers use as their habitat. Most of the time tigers have no where to stay at. People don't just destroy the trees they use, they destroy everything that they use.

Dear Mrs. Smith,

I visited London today and I saw
Buckingham Palace and saw lots of
gold on the gates. I saw the Queen's
guards in the Court yard and their
uniforms are a bright red with white
shiny buttons and a white belt. Black
kiltie and a tall black bear skin
hat.

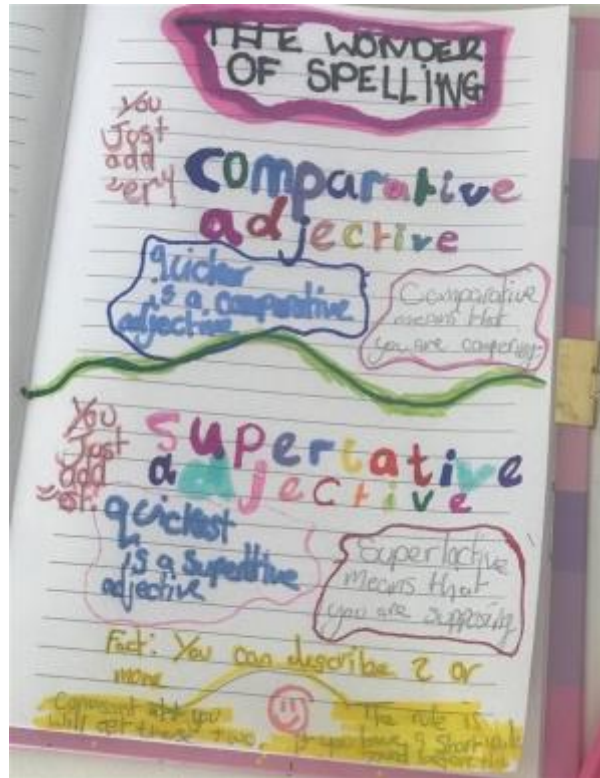

I left there and went on the ship
Thames to the London Eye which is
a very big wheel that you can sit in
glass capsules. I saw Big Ben
which is in the clock in a tall tower
and the Houses of Parliament where
the Prime Minister has meetings.

In school, we had a visit from a Dinosaur!

Ryan Floyd from Tamworth, Staffordshire has pledged to run the equivalent of two marathons this month while dressed as a T-Rex to raise money for charity, Ryan will be raising money for foodbank network Trussell Trust. In the first six months of the pandemic, food banks in the Trussell Trust network gave out a staggering 1.2 million emergency food parcels. That's one food parcel every 13 seconds, and 2,600 of these went to children every day on average. As we approach the 12 month mark of this pandemic in the UK, people are still struggling and need our help. We cannot thank people enough for sharing our appeal on GO FUND ME for devices. This week, we have been able to give out 8 more devices to support learning at home and we have more on order. Through GO FUND ME we have raised £950 - please keep sharing the link [Help our children with remote learning](#)

We are also grateful to **Tamworth Enterprise College** for lending us 30 Chromebooks to support our remote learning. If you are struggling with old or slow devices, or children are having to share a device, please get in touch with us and we can lend you one.

Drop Shop at TEC!

A Drop Shop has been located at Tamworth Enterprise College earlier this week. It will be open from ten a.m. to three p.m daily. Anyone in the community is welcome to come along to buy a whole bag of food for £4. Donations of food would also be most welcome and they are looking for volunteers to help run the shop. Food can be donated during the hours it is open.
