How to support your child at home:

Hear your child read or read to your child at least three times a week. Reading regularly and using their phonic skills to decode will also have a positive impact on their writing skills. Practising sounds and reading red words also counts as reading practise. Write these in your child's reading diary! Please ensure your child reads their RWI books that are sent home in their Reading Wallet. These are sent home every Friday and must be returned to school the following Friday so they can be changed. Please do not write your child's name on the paper versions. Your child has access to a variety of library books. These can be changed every morning.
