Year 1 preparation

The children have loved seeing pictures of their Year 1 classroom this week, and have enjoyed sharing them with their friends in the provision, along with our big books! We will continue to support the children ready for their transition morning next Friday, they seem very excited to be Year 1's for the day and to meet their new teachers!

All children now have Numbots logins which can be found in their book bags either on the Numbots letter or stuck in the children's reading diaries. We can see more of you have been on over half term which is fantastic!

Well done to this week's winner Raya! And to second and third place, Mylo and Chloe!

England!

The children loved trying to make a human flag on Tuesday this week to support England in their football match. A few of the football fans in our class started this pose and all of the other children copied! We look forward to the match on Saturday.

Handa's Surprise

One scorching hot day, Handa put seven delicious fruits into her basket for her friend Akeyo.

'She will be so surprised!' Thought Handa as she set off on the long journey to Akeyo's village.

'I wonder which fruit she will like the best?' thought Handa 'Maybe the soft yellow banana?'

But, as Handa was walking, a sneaky monkey took the soft yellow banana out of the basket. Handa, didn't know.

'Or maybe, the sweet smelling guava'

But then, an ostrich with a tall neck pinched the sweet smelling guava out of the basket. Handa, didn't know.

'Or maybe, a round juicy orange'

But then, a zebra snuck out of the long grass and took the round juicy orange. Handa, didn't know.

'Or maybe, the ripe, red mango?'

But then, a big, huge elephant used his trunk to take the ripe red mango out of the basket. Handa, didn't know.

'Maybe she will like the spikey-leaved pineapple!'

But then, a tall giraffe took the spikey- leaved pineapple from the basket. Handa, didn't know.

'Maybe the creamy , green avacado'

But then, a gazelle leaped, and took the creamy, green avocado from the basket. Handa, didn't know.

'Or maybe the tangy purple passion fruit'

But then, a parrot swept from the tree and swiped the tangy purple passion fruit. Handa, didn't know.

As Handa was walking, the gazelle ran head first into an tangerine tree, and all of the tangerines fell into Handa's basket.

'Which fruit will Akeyo like best?' she thought.

Finally, she arrived at Akeyo's village 'Hello Akeyo! I've brought you a surprise!'

'Tangerines!' said Akeyo 'My favourite fruit!'

'Tangerines?' said Handa, puzzled. 'That is a surprise!'

Handa and Akeyo enjoyed some tangerines together in the hot sun.
