

PE

PE lessons will be on **Mondays**.

On PE days, children should arrive at school wearing their PE kits. This will be trainers and jogging bottoms. Earrings and watches must not be worn for PE and long hair must be tied back.

This term, we will be learning about the skills needed to play badminton.

Useful websites:

<https://ttrockstars.com/> Keep working on those times tables. Aim to use the website at least three times a week at home.

<https://www.bbc.co.uk/bitesize> Great for all subjects.

<https://classroom.thenational.academy/year-groups/year-3> This website was created during lockdown and provide full lessons. Great for if you are unsure on a topic or want extra learning to do at home!

<https://www.topmarks.co.uk/> Lots of fun games.

<https://www.purplemash.com/sch/birds> Don't forget about Purple Mash! We will set homework tasks on here so keep checking. Purple Mash has a great range of books to read at home in the Serial Mash section!

Curriculum Passport Year 3 Autumn 1 2021

What if everything you owned was made of stone?

English

The Spider and the Fly
The Best Gift
Ug

We will be developing our grammar and punctuation skills whilst writing for a range of purposes.

Maths

Place Value and Number, to 1000
Geometry and Shape
Measurement
Addition and subtraction

Science

Fantastic Forces!

We will be discovering how forces make things move. We will be pushing, pulling or twisting objects and using magnets to develop our understanding, whilst carrying out fair tests to test our predictions.

Art/DT

Printing—a focus on object and string printing. We will be using the shapes and ideas from ancient cave paintings to help us design and make our own printing blocks.

ICT

An introduction to coding

French

We will be starting French in Year 3. Our lessons will focus on introducing one another, numbers and nouns.

History

We will be exploring life in the Stone Age. We will look at how hunter-gatherers survived and permanent Stone Age settlements. We will be improving our archaeological skills by discovering what people in the Stone Age ate and what tools they used

PE

Badminton

PE WILL BE ON MON-DAYS

Music

Composing our own music and developing our understanding of beat.

RE and PSHE

RE— **Exploring** rules that are important to religious followers. How are rules important to me?

PSHE — Me and my School.

Supporting home learning:

Read, read, read! Reading is an important key to accessing many aspects of learning—plus you get to go on adventures from your own sofa! Keep using your RWI sounds to support you—the rhymes are really useful and finding your special friends in your head will help you become more fluent.

Multiplication—keep playing ttrackstars. It will help you to develop through the levels for Masters of Multiplication. Our first level is white and focuses on the 1, 2 and 10 times table.

Homework—this will be released once a week. Most of this will be on the Purple Mash learning platform. Please remember to save and return this so it can be seen by Miss Collins.
