

What have we been learning in Early Years this week?

26th November 2021

Please return library books every Friday as this is when we visit our school library.

Please ensure **all** clothing is clearly labelled and please check clothing at home as jumpers and cardigans seem to be going missing frequently at the moment.

Week 4

Our pirate theme has continued this week. We have made a pirate ship out of a cardboard box and used the crates to make our own plank. We have also created our own treasure maps and stained them with tea to make them look really old!

We also found ice in our outdoor water tray this week so we have investigated what it is, why it was there and how we could melt it.

Read Write Inc.

Miss Hazleton's phonics group have learned:

v, y and z

Miss Smith's phonics group have learned:

c, k, u and b

If your child has been sent a link to a Virtual Classroom lesson, please try and watch this as many times as possible at home to help them retain their sounds. Please also use the phonics sound cards that were sent home with week.

It won't be long until Christmas begins in Reception. We are really looking forward to our Christmas Craft morning and afternoon and we hope that as many of you as possible are able to join us. If you are unable to join yourself, other family members are more than welcome to celebrate with us.

We are also really looking forward to walking to the post box to post letters to Santa on Monday 6th November.

Christmas Craft Stay and Play

Reception invite you to join us for a morning or afternoon of Christmas crafts and fun! This is a great opportunity for you to see your child learning in their classroom with their friends and for you to join in with their learning.

There are two slots available:
Monday 13th December- 2.30-3.00
Tuesday 14th December- 9.00- 9.30

If you are unable to attend, more Stay and Play sessions will be planned in the Spring term so don't worry!

We look forward to celebrating the most wonderful time of the year with you.

Miss Smith, Miss Hazleton, Mr Jordan and Miss Behan

Next Week

RWI	Mathematics	Provision
Miss Hazelton's group will recapping any sound gaps as they have now learned all of the single letter sounds!	We will be continuing to investigate making numbers in different ways.	The beginning of our week will continue with our pirate theme but from Wednesday, Christmas begins!
Miss Smith's group will be learning: g, f and e		
Miss Hazelton's group will be recapping their sounds to fill any sound gaps.
