Welcome to Spring 2

World Book Day at Bird's Bush

What an amazing day! Thank you everyone for joining in to celebrate this day - we love reading!! Our focus book was Supertato and the children enjoyed working together to create their Supertato character and write a whole school story. We are always stunned by your creativity in costume creation and had a whole range of 'heroes and villains', fictional and real, across school. Please never feel pressured to buy or create costumes - children can always just come in uniform and still take part in event days.

Staff made their own potato characters and the children voted for their favourite.

We hope that you enjoy your free World Book Day Book together at home.

Thank you to Morrisons and Tamworth Pantry for donating potatoes and books to celebrate our day.

HOMEWORK this week is to write an adventure story for your storytato - it's on Purple Mash.

Parent Consultation Evenings

Parent consultation meetings will be held on Tuesday 22nd and Wednesday 23rd March. We will be holding these as face-to-face meetings this time as we start to welcome more people back into school. We still ask that you do not come into school if you have symptoms or have tested positive for Covid and please use the hand sanitiser and maintain distances where possible.

Booking for appointments is through our online system which will be accessible from today. You will get a text booking link.

If you would prefer a telephone or videocall appointment, please email the class teacher to arrange a convenient time.

Digital Leaders

Our digital leaders have been working hard together to plan a lunchtime MASH CLUB. They have decided that they will start by offering the club to year 2's and 3's. We will run for 6 weeks at a time while The Digital Leaders will be teaching them how to work through coding a game and how to blog.

They are very excited to start and have their lanyards ready.
