

PE

We will have outdoor PE sessions during Spring 2 on Tuesday's. On this day, the children should attend school in their outdoor PE kit (jogging bottoms, t-shirt, jumper, trainers). All long hair must be tied up during PE lessons.

Earrings must be removed for all PE activities. We are unable to remove the children's earrings for them.

Reading, Phonics and RWI

During the Spring term, some of the children in year 2 will be moving from RWI to Reading lessons. They will continue to receive a home reading book closely matched to their reading and comprehension level (one banded book and one RWI black and white story book). This can be changed weekly (every Thursday) so that the children have an opportunity to continue to develop their fluency by reading a familiar text and develop their story teller voices during the week.

Library Books

2F have access to the school library each Thursday. This is a selection of books of differing levels you can read with or to your child. The children are encouraged to select books that interest them and may choose to take previously read books home too. The children may change their library books every Thursday.

Therefore could you please send them with both their library book and RWI books so that both can be changed every Thursday.

Curriculum Passport

Class 2F

Spring 2 2022

Can you hear a rumble in the jungle?

English

- Character description
- Narrative—write an ending
- Poetry

Maths

- Measurement (Length, mass)
- Measurement (Capacity, temp)
- Geometry (Properties of shapes)
- Geometry (Position and direction)
- Multiplication and division

Science: Habitats and food chains

- What is in your habitat?
- What do different animals eat in their habitats?
- Where can I live?
- Research habitats (IT link)
- Build a bug hotel

Art/DT:

Planning, sculpting and evaluating our own African animals from clay.

**Can you hear a
rumble in the jungle?**

RE

Storytelling through sacred writings. Recall faith stories with meaning and explain how they might be used within faith communities.

PSHE

Me and my safety: What is safe and unsafe.

Geography: UK vs Africa contrast

Human and physical geography of Africa compared to UK. Including culture and animals.

PE & Games

Net and wall games.

Music

Storytime: Exploring sound (English)

Seasons: Pitch (Science)

Computing

Creating pictures: Paint a picture including writing templates.

How to support your child at home:

- Daily reading—we encourage the children to read 3 times a week. You can record anything that the children read from their school books to their magazines or cooking instructions!
- TTRockstars—we are focussing on our 2s, 5s and 10s. This term we will be covering multiplication and division in Maths. Look out for Rockstar battles.
- Handling money is a great way to learn to count or add. Use 2, 5 and 10 pence pieces to help your child count in these steps. If you have spare change, ask your child to sort the coins in different ways (e.g. count 1p into 2s, 5s or 10s or use this in a home shop to buy items).
