

PE

PE lessons will still be on Monday and the children should continue to come to school on Monday in their PE kit. Please be aware that this term, we have OUTDOOR PE. Please remember that long hair should be tied up during PE lessons and that **all earrings must be removed** or your child will not be able to participate in PE.

Homework:

1. **Read** at least three times a week. This will help to build up your child's fluency and speed for reading. Please ensure that you sign your child's diary. They can collect **Read It** tickets for every read. Reading can include their home reader, their library book (please be aware that this chosen for pleasure and is not linked to their reading ability), subtitles on a tv programme, signs or even information in a computer game.
2. **Purple Mash**—this will be set once a week. It is set on a Friday and closes on a Wednesday. By completing their weekly homework, your child will be automatically entered into the weekly homework draw.
3. **ttRockstars**—a times table website that will support your child's times tables. It is important to support your child to learn their times tables to help prepare them for the year 4 times table check. Please ensure that your child is plays the Soundcheck game regularly to ensure that their speed is increasing. In this game, they have 25 questions to answer with 6 seconds allocated for each question.

We aim to ensure that your child has their log in details in their diaries. If you require additional log in details, please contact Miss Collins.

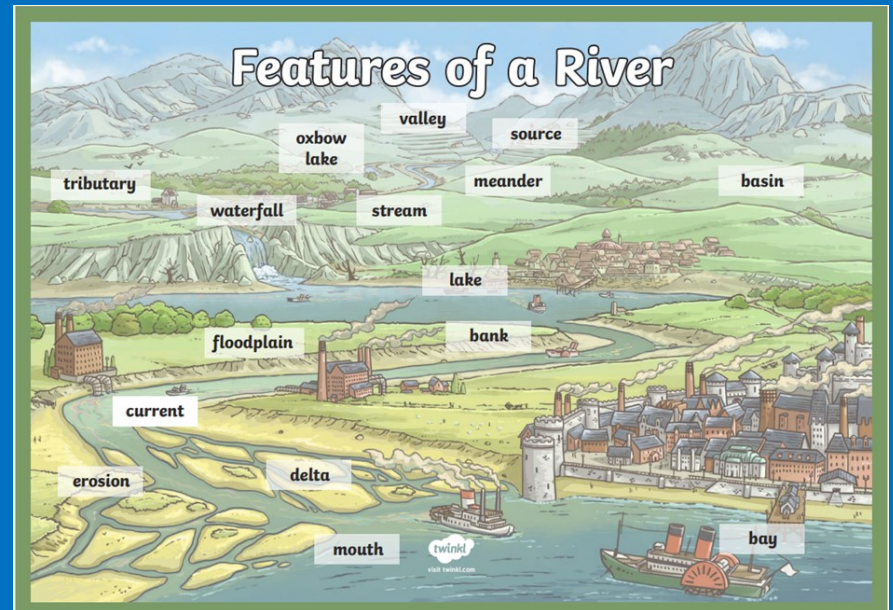

Curriculum Passport

Year 3

Spring 2 2022

What are we doing to our rivers?

English

Newspaper reports
Character descriptions
Setting descriptions.

Maths

Fractions (Pictorial Representations)

Athletics

Music

Exploring beat
Pitch

How to support your child at home:

- **Read as often as you can.**
- **Support your child to access and complete homework activities. These include ttrackstars, Purple Mash and regular reading.**
- **Discuss spellings that the children are learning and support their use of letter patterns to spell tricky and familiar words.**
- **This term, we will learning to read the time on analogue clocks. Please encourage your child to read the time to the hour, half hour and 5 minute intervals.**
