

PE

PE lessons will be on **Mondays**.

On PE days, children should arrive at school wearing their PE kits. This will be trainers and jogging bottoms. Earrings and watches must not be worn for PE and long hair must be tied back.

As we are learning how to play hockey, the majority of our PE sessions will be outdoors and we ask that children arrive suitably dressed every Monday.

READING

Reading is an important life skill and underpins all other learning. Please support your child to read at least 3 times a week and sign their reading diaries each week. If your child does forget their reading diary, you may note down any reading on a piece of paper and your child may exchange this for read it tickets.

HOMEWORK ON PURPLEMASH

<https://www.purplemash.com/sch/birds> Don't forget about Purple Mash! We will set homework tasks on here so keep checking. A homework ticket will be awarded to your child upon the completion of their weekly homework task. This will enter them into the weekly Homework Champion prize draw and if their name is chosen at our celebration assembly, they will be able to choose a prize from the prize box!

Useful websites:

<https://ttrockstars.com/> Keep working on those times tables. Aim to use the website at least three times a week at home.

<https://www.bbc.co.uk/bitesize> Great for all subjects.

<https://www.topmarks.co.uk/> Lots of fun games.

Curriculum Passport Year 3 Summer 1 - 2022

How does your garden grow?

English

Instruction Writing

Diary writing

Poetry

Maths

Fractions(Fractions of an Amount)

Measurement (Money)

Measurement (Time)

Multiplication and Division (Word Problems)

Multiplication and Division

(Harder, More Complex Problems)

Science—How does your garden grow?

We will continue to develop our skills as scientists as we look more into the world of plants, including understating how plants work, naming their parts, looking at the role of insects in germination and carrying out investigations, like asking what happens if a plant loses its leaves?

Art

We will be working to paint a railway themed picture in the style of Piet Mondrian and John Austin Night Scot, whilst exploring their art work and themes.

French

We will grow our understanding of French by learning how to describe ourselves, our family and also naming the days of the week.

History

We will be learning about the historical significance of the early railway system, including the Rocket and the Flying Scotsman!

PE

We are learning how to develop our hockey skills.

Music

Singing in French and exploring pitch and beat within music.

Computing

Learning how to use email.

RE and PSHE

RE— Exploring creation stories in the Christian and Hindu faiths.

PSHE — Exploring our relationships with other people by looking at other families, what good friendships look like, dealing with arguments and being a part of a community.
