Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

Each year, local libraries host a Summer Reading Challenge. This year's challenge takes place from Saturday 9th July – Monday 12th September 2022. The theme - 'Gadgeteers' - is a celebration of science and innovation. The Reading Agency is partnering with the Science Museum Group to inspire children across the country to feed their imagination over the summer holiday, with a reading challenge focused on science and innovation. Children are invited to join the Challenge characters using their curiosity and imagination to understand the science behind a whole range of interests, from fashion and technology to cooking and music. There will also be a school competition for the first time this year. There will be a trophy for the school that gets the highest percentage of children who complete the challenge! Staffordshire library services will be hosting an assembly to provide the children with more information about the challenge in the coming weeks. You can also visit your local library for more information.
