Planned visits out of school or visitors in to school:

We will be walking around our local area to practise our map reading skills in Geography and to see what makes our community so wonderful.

How to support your child at home:

Share the curriculum planners with your child; ask them to tell you about the different areas they have been learning. Reading is incredibly important and we ask that children read every day with parents signing their diaries. For every diary entry, children will receive a Read It ticket and earn the chance to win a reading book. Homework will be set every Friday on Purple Mash and should be completed by Wednesday.
