

Homework

Homework is set on Purple Mash and the children are expected to continue to access NUMBOTS every week. Certificates are awarded during the celebrations assembly each week to Numbot Champions and the Homework champion receives a prize (you need to complete it to be in with a chance)

Ruth Miskin's Read Write Inc

Children in Year 1 will bring home RWI books in their Reading Wallets once they have been reassessed. All the books in their wallet will match their phonetic ability. They will also have the opportunity to bring home a library book to be shared with an adult.

Thank
you
so
much!

Thank you all for your kind words, gifts and beautiful cards that were sent at Christmas. All the adults were so touched and your constant support means the world!

Curriculum Passport Year 1 Spring 1 2023

The lost toys!

Mrs Pitt

English

In writing, we are continuing to develop our use of capital letters, full stops and finger spaces. We are also continuing learning how to use adjectives and conjunctions such as 'and' and 'because' in our writing. This term the children will start using their story telling skills in their writing. We will also be developing our retrieval, inference and

DT

In DT, we are making our own toy by creating peg dolls. We will be learning how to tie dye as well as how to cut and join materials as part of the

History

In History, we are exploring the changes that have occurred with toys over time and we are going to learn about the creation of the teddy bear.

Indoor PE –Dance

Children will be looking at patterns and sequences to create their own routines. Wednesday afternoon **EARRINGS MUST NOT BE WORN.**

Outdoor PE - Net and ball games

Children will be developing accuracy in passing, striking and retrieving and ball using various equipment. Tuesday Afternoon

Maths

In maths, we are continuing to develop our understanding of number and place value and we are applying our addition and subtraction knowledge by solving problems. We are also investigating exciting new areas including mass, weight, money, multiplication and 3D shapes.

The lost toys!

Science

In Science, we are learning about our senses and using them to investigate different smells, tastes, sights, sounds and how different materials feel to touch.

Independent Learning

The children will continue to have the opportunity to independently learn throughout the day. They will be completing independent learning challenges and practising their new skills.

Computing

The children are going to be using the computers to learn how to understand pictograms and Lego builder on the computer .

Music

We will be exploring pitch, beat and sounds with our voices and musical instruments.

RE and PSHE

RE

We are learning about celebrations across different religions and thinking about how we celebrate different events in our lives.

PSHE

We are learning to understand human's responsibilities towards animals in the world.

How to support your child at home:

Hear your child read or read to your child at least three times a week. Reading regularly and using their phonic skills to decode will also have a positive impact on their writing skills! Please ensure your child reads their RWI books that are sent home in their reading folder. These are sent home every Friday and must be returned to school the following Thursday so they can be changed. **Please do not write your child's name on the paper versions that come home as they will be changed weekly.**
