Curriculum Passport
Year 6
Summer 2

English

In English, we will be reading the text On the Origin of Species by Sabina Radeva to support our non-fiction writing.

Maths

In Maths, we will be applying all of our knowledge to projects such as planning holidays, where we will have to budget, calculate measurement and draw line graphs to show the weather.

Science

In science, we will be describing how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including micro-organisms, plants and animals; give reasons for classifying plants and animals based on specific characteristics.

PSHE - Me and Other People

In PSHE, we will be discussing how people from different places may have different values. We will also be doing some learning about transition into high school.

Geography - South America

1. An introduction to South America
2. Past civilisations and empires
3. The Andes Mountains and the Atacama Desert
4. Brazil (Agriculture and Industry)
5. The Amazon Rainforest

Outdoor PE:

Rounders
Athletics

How to support your child at home

Please read with your child regularly and sign their home-school reading diary in order for your child to earn Read-It tickets. Children will select a home reading book next week.

Computing - Quizzing

In Computing, we will be looking at how we can create quizzes online.

Music

In Music, we will be rehearsing for our leavers production.

RE Justice - Rich and Poor

In RE, we will be investigating issues of justice, fairness and poverty.

Design Technology - Upcycling Fashion

1. Research and Investigate
2. Design
3. Make
4. Use and Evaluate

French - Le Cirque

In French, we will be investigating French speaking countries.
