

Homework

Homework is set on Purple Mash and the children are expected to continue to access NUMBOTS every week. Certificates are awarded during the celebrations assembly each week to Numbot Champions, and the Homework champion receives a prize (you need to complete it to be in with a chance)

Ruth Miskin's Read Write Inc

Children in Year 1 will bring home RWI books in their Reading Wallets once they have been reassessed. All the books in their wallet will match their phonetic ability. They will also have the opportunity to bring home a library book to be shared with an adult. Library books must be in school on Thursday to be changed.

Curriculum Passport

Year 1

Summer 2 2023

How wet can you get?

Mrs Pitt

English

In writing, we are continuing to use Talk for Writing to develop the children as story tellers. During this last term we will be revisiting all of the skills we have learnt so far.. Ensuring children have the opportunity to practice using these skills in their writing.

The skills are capital letters, full stops, question marks, exclamation marks and adjectives to describe.

Art

We will continue to explore style, and narrative in art exploring different art movements such as pointillism, realism and abstract..

Geography

This term we are exploring Parliament and Prime ministers. This will also enable us to take part in an election and explore democracy.

Indoor PE — Locomotion 2

Children will be developing the skills of skipping to travel which will support coordination, that support all aspects of PE. Monday afternoon. **EARRINGS MUST NOT BE WORN.**

Outdoor PE - Athletics 2

Children will be developing their athletic skills on the field., Practicing the skills needed for sports day.

Maths

In maths, we are continuing to develop our understanding of 2d and 3d shapes. We will then revisit addition, subtraction, multiplication and division.. This will include ensuring the children recognise the symbols that represent these.

Then we will be exploring fractions including a half and a quarter.. The final 2 weeks will be spent strengthening our mathematical skills ready for Year2.

How wet can you get?

DT

We will completing our DT this year with cooking.

This will allow the children to develop their cutting skills and create a delicious picnic for us to enjoy., with some parts coming from our school garden.

RE

We are exploring worshipping and why faith communities worship in a special place. This will include a visit to the local church.

PSHE

We are learning to understand belonging and bullying.. The children will explore what bullying is and how to stop it. Along with the importance of being included.

Science

In Science, we exploring materials. Initially we will explore everyday materials and their properties. Then we will move onto explore waterproof materials and clothing and what makes them waterproof., with some exciting hands on experiments.

Music

We will be exploring beat in the next unit "our bodies" then we will be developing our understanding in pitch in the unit "Water"

Computing

The children are going to be using the computers and iPads to develop their skills in spreadsheets, then we will be exploring the technology we use out of school.

How to support your child at home:

This term Year 1 children will sit the Phonics Screening Assessment, hopefully you had the chance to attend one of the workshops around this as can support you child using the pack provided (all children will receive this pack).

It is also really important to hear your child read or read to your child at least three times a week.. Any reading your child does earns them a ticket to be in with a chance of winning a new book in the celebration assembly each Friday. Reading regularly and using their phonic skills to decode will also have a positive impact on their writing skills! Please ensure your child reads their RWI books that are sent home in their reading folder. These are sent home every Friday and must be returned to school the following Thursday so they can be changed.
